### ENGLISH
**(20 mins)**

**READING:**
Continue to develop the habit of reading at home, and remember you can re-read your books for more practice. Please make sure you read your Reading Rounds book each night during the week and don’t forget to return it to school each day.

**ORAL LANGUAGE:**
Take some time to prepare your ‘Guest Speaker of the Day.’

- **Week 6:** Free Choice
- **Week 7:** Tell us about your favourite book of all time.

### RELIGION
**(20 mins)**

**Unit: God Alive in our World**
In class, we will be learning about the Fruits of the Holy Spirit. Some of the fruits of the holy Spirit are; Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Talk to your parents about someone you know well, who shows these ‘fruits’ in action. Draw a picture them.

Now write the fruit/fruits that they show.

Then tell us how they show it.

For example, you might draw a picture of grandma and write that she shows me love as she always gives me hugs. She also shows me patience as she takes time to teach me new things.

If you have time, choose another person you know well.

### MATHEMATICS
**(15 mins)**

**Unit: Length**
Using Your Hands
We can measure the length of objects in many different ways. For this activity you will use your hand span to measure some items. To do this, make sure you spread your thumb and pinky finger as far apart as possible.

You will need to gather some objects that you can measure: a small book, a large book, pencil, plate, bag and some other objects of your choice.

Complete the table on the next page by estimating how many hand spans each object will be in length, measuring and then recording your result.

**Blog (Literacy)**
Go to your class blog and click on the post “Home Task Weeks 6 & 7 (English Task).”

Read the Storybook: ‘Lilly - The Wild Cat’ by clicking on the link on the Blog. Then follow the instructions and write a summary of the story using the ‘Story Maker’ link. You may choose to print a final copy and glue it into your Home Task Book.

Have fun! Remember follow the links on the Blog for this activity!

### SPELLING
You will find this week's spelling words on our class blog. Choose ten of these words to practise. You might also like to include words you often struggle with. Choose two activities from your spelling grid to practice these words.
